

Registration is open for the  
**2018 CYBA Designer Water Contest**  
At the following Charter Yacht Shows:

- BVI Boat Show (Nov 6-9)
- USVI Boat Show (Nov 10-12)
- Antigua Boat Show (Dec 5-9)

This is a fun contest to raise awareness on a great way to reduce plastic water bottle waste, while providing charter guests with delicious drinking water.

Contest Rule

1. Prepare a flavored water using ingredients of your choice. See here for some Sample Recipes
2. Water used must be produced by the water-maker onboard your yacht.
3. Beverage must be served in re-usable containers. No plastic!
4. Display a printed copy the recipe with the name of the recipe, ingredients, preparation steps, and the name of your boat.

To enter the contest, simply send an email to [environment@cyba.net](mailto:environment@cyba.net) with the name of your yacht and indicating which Boat Show you are attending.

A group of Brokers will be selected to judge your flavored water based on taste, creativity, and presentation. Judging will take place during regular yacht viewing hours on certain days (TBA). Please remind the judges to take a picture of your printed recipe for reference.

Elegant "Save the Blue" trophies will be given to 1st and 2nd place and a special gift will be given for 3<sup>rd</sup> place, along with gift bags filled with lots of great gifts. There will be two categories at the Antigua Boat Show, based on size of vessel.
